

## Wednesday Challenge Form

Group Members: Edgar, Jason, Christian, and me

Problem Statement: Create a fidget toy to Not only represent 589, but also to distribute to The counselors for the school.

Approach: Create a “stress ball.” This can fit in Your hand, flexible, squiiiiiiisshhyyy, made of 3 balloons, and rice or pinto beans on the Inside. It’s quiet, and easy to use.

Solution: We won! Maddie said it was cheap, Easy to make, and can make 100’s easily.

Lessons Learned: Thanks to Christian’s idea, We won the challenge.
